## STEP 3

# Watch our short tutorial and toggle the Notification Shield ON

Complete our **Quick Setup** and toggle **ON** the **Notification Shield** to allow **AdTranquility** to **View** and **Hide** notifications on your phone. The details of your notifications are never sent or stored by **AdTranquility, Inc.**

## STEP 4

# Enable AdTranquility

Toggle ON to enable AdTranquility.

## STEP 5

# Go back to the app

If your phone has no **Back** button, go to your phone **home screen** to locate **AdTranquility** app and **access** it.

## STEP 6

# Enable protection Shield(s)

Click the round circle **once** to enable protection **Shield(s)**.

## Last step

Clear past notifications to start fresh. Drag your finger from the **Top** to the **Bottom** of your phone's screen to access your **Notifications** bar. Select **Clear all** to **remove** any notifications left.
